# 2020

## Oh, What a Year!

Many words were used to describe the world in 2020, most of them negative. While we would agree that 2020 was a challenging year for everyone, in almost every way, at Mane Stream there were many things to celebrate amidst the uncertainty.

Although we were closed for 12 weeks, we were able to offer our programs for much of the year; 22 children of all abilities attended our modified summer camp program; Tink, our beautiful paint mare, celebrated her 16<sup>th</sup> birthday with a sweet party for her friends; 1 Girl Scout troop visited the farm in person and 20 participants of The ARC visited the farm virtually; and 113 riders and clients spent happy, joy-filled hours reaching goals, connecting with horses and simply being in their routines.

As always, Mane Stream relied on the generosity of our community to provide our successful programs. In 2020, we needed our community's support more than ever, and you responded with increased enthusiasm, compassion and generosity. We did receive a Paycheck Protection Program loan, which helped ease some of our financial challenges, but, as always, it was the extraordinary support of our friends in our community that was integral to Mane Stream's success in 2020.

On behalf of the entire Mane Stream family, thank you for rising to the (unprecedented) occasion that was 2020 with your amazing generosity.
