Facebook birthday fundraisers raised more than \$300M last year!*

Is your birthday coming up soon?

Several Mane Stream supporters have celebrated their birthdays in 2018 by creating Facebook fundraisers and we've noticed the impact!

Thank you FB Friends!

Mary Dickey, Victoria Leone,
Jennifer Moylan, Catherine Ruppert

Facebook removed their [Facebook's] 5% fee for donations! This means all the money goes to non-profits. For many charities, Facebook fundraisers are now the most frictionless way to raise donations, including from people who might otherwise never visit the charity's own donation links.*
