## The Honorable Judge is Now Presiding!

Have you noticed the gorgeous new dark bay in the fields? That is Mane Stream's newest addition...Judge. From day one, he immediately settled into the program and knew what he was going to be. He handled our more independent riders and ones that need both a leader and a side walker. His sweet and calm nature made him an instant hit for many of the adaptive riders. Just wait until the campers see him. Before his arrival to Mane Stream, Judge could be found in the three foot hunter ring showing under the name Eur-Honor. **Thank you Alexandra Walsh for donating this wonderful horse!**
